MasterRental Insurance

Evidence of Coverage

Pursuant to the below terms and conditions, when you rent a **vehicle** for thirty-one (31) consecutive days or less with your **covered card**, you are eligible for benefits under this coverage. Refer to Key Terms for the definitions of you, your, we, us, our, and words that appear in bold and Legal Disclosures.

A. To get coverage:

- The rental vehicle must be rented primarily for business purposes, and You must initiate and then pay for the entire **rental agreement** (tax, gasoline, and airport fees are not considered rental charges) with your covered card and/or the accumulated points from your covered card at the time the vehicle is returned. If a rental company promotion/discount of any kind is initially applied toward payment of the rental vehicle, at least one (1) full day of rental must be billed to your covered card.
- You must decline the optional collision/damage waiver (or similar coverage) offered by the rental company when coverage is secondary.
- You must rent the vehicle in your own name and sign the rental agreement.
- Your rental agreement must be for a rental period of no more than thirty-one (31) consecutive days. Rental periods that exceed or are intended to exceed thirty-one consecutive days are not covered.

B. The kind of coverage you receive:

We will pay for the following on a primary basis:

- Physical damage and theft of the vehicle, not to exceed the limits outlined below.

- Reasonable loss of use charges imposed by the vehicle rental company for the period of time the rental vehicle is out of service. Loss of use charges must be substantiated by a location and class specific fleet utilization log.
- Towing charges to the nearest collision repair facility.
- Theft or damage to personal effects in transit in the rental vehicle or in any building en route during a trip using the rental vehicle. You must first file under other applicable insurance (e.g., home or business), and then we'll cover whatever is not covered by your insurance under our Secondary Personal Effects Insurance. Maximum coverage per rental period is \$1,000 per covered person, per occurrence. The total benefits per rental period cannot exceed \$2,000.

This coverage is not all-inclusive, which means it does not cover such things as personal injury or personal liability. It does not cover you for any damages to other vehicles or property. It does not cover you for any injury to any party.

C. Coordination of Benefits:

When MasterRental is provided on a secondary basis and a covered loss has occurred the order in which benefits are determined is as follows:

1. You or an **authorized driver's** primary auto insurance;
2. Collision/damage waiver provided to you by the rental agency;
3. Any other collectible insurance;
4. The coverage provided under this **EOC**.

If you or an authorized driver's primary auto insurance or other coverage has made payments for a covered loss, we will cover your deductible and any other eligible amounts, described under the kind of coverage you receive, not covered by the other insurance.

Note: In certain parts of the United States and Canada losses to rental vehicles that are covered by your personal vehicle insurance policy liability section may not be subject to a deductible, which means that you may not receive any benefits from this program. Contact your insurance provider for full coverage details pertaining to your personal vehicle liability insurance policy (or similar coverage).

If the vehicle is rented primarily for business purposes or outside the **cardholder's** domiciled country, coverage is considered primary coverage.

D. Who is covered:

In addition, coverage is limited to \$500 USD per incident for reasonable loss of use charges imposed by the vehicle rental company for the period of time the rental vehicle is out of service.

6. MASTER ROADASSIST® SERVICE

- If your car breaks down on the road while you are traveling in the 50 United States or the District of Columbia, just call **1-800-Mastercard** and tell us where you are.

Mastercard ID Theft Protection (IDT)

Program Description:

Mastercard ID Theft Protection provides you with access to a number of Identity Theft resolution services, should you believe you are a victim of Identity Theft. This product offering prevents identity theft by monitoring the Internet, indexed and

not, searching for compromised credentials and potentially damaging use of **cardholders'** personal information in order to detect fraud at its inception.

Eligibility:

All Mastercard Corporate, Executive, World Elite, Purchasing, Fleet and Multi Card Commercial cardholders in the US are eligible for this coverage.

Access:

Simply contact **1-800-Mastercard** if you believe you have been a victim of Identity Theft.

Services provided:

Services provided are on a 24-hour basis, 365 days a year. In order to receive the following services, you must enroll at <https://mastercardus.idprotectiononline.com/>. The services include:

Online Monitoring Dashboard (requires activation): The online monitoring dashboard is the primary user interface for cardholders. It serves as a repository of all the personally identifiable information (PII) data the cardholder wants to monitor, tracks and displays cardholders' risk score, and provides access to identity protection tips. It is also the platform for cardholders to respond to identity theft alerts.

Monthly Risk Alert / Newsletter: Cardholders will receive a monthly newsletter with information on the cardholder's risk score, and articles pertaining to good identity theft practices.

Identity Monitoring: IDT searches the internet to detect compromised credentials and potentially damaging use of cardholders' personal information, and alerts them via email so that they can take immediate action. This platform utilizes automated monitoring and human threat intelligence from cyber operations agents monitoring threat actors and their tactics on the deep and dark web where personal data is bought and sold. Data elements that can be monitored are:

- Email addresses
- Debit/credit cards
- Bank Accounts
- Web logins; username and password
- Medical insurance cards
- Drivers' license
- Loyalty cards
- Affinity cards
- Passport number
- Vehicle Insurance cards
- Social Security Number

Mastercard is offering cardholders the above-mentioned protections through Iris OnWatch, Generali Global Assistance's proprietary internet surveillance technology that proactively detects the illegal trading and selling of personally identifiable information (PII) online. At any point in time, Iris is tracking thousands of websites and millions of data points, and alerting cardholders whose personal information they find has been compromised online. This information is being gathered in real-time so that Cardholders have the opportunity to react quickly and take the necessary steps to protect themselves.

Resolution Services: Cardholders will have access to a team of identity theft resolution specialists, available 24hours a

day, 365 days a year to help resolve cardholders' identity theft incidents and prevent further damage. The resolution specialists are native speakers of English, French and Spanish, and are based out of Bethesda, Maryland. Cardholders are given the option to give limited power of attorney (LPOA) to the specialist, to allow them to conduct resolution activities on the cardholders' behalf, including contacting police, credit agencies, and other authorities, translating information, and closing and replacing breached accounts.

Lost Wallet Assistance: Cardholders will be provided assistance with notifying the appropriate issuing authorities to cancel and replace **stolen** or missing items, such as their debit/credit, Social Security card, and passport.

Emergency Cash Advance and Travel Arrangements:

Cardholders are provided an emergency cash advance of up to \$500 and assistance with making travel arrangements, including airline, hotel, and car rental reservations. This service is available when an ID theft event occurs more than 100 miles away from the cardholders' primary place of residence.

Single Bureau Credit Monitoring: Cardholders' TransUnion credit file will be monitored for changes that could indicate fraud such as new credit inquiries, an address change or new credit account(s) opened in their name. An alert notification via email will be sent anytime a hard inquiry is made on the cardholders' TransUnion credit file so they can take immediate action to minimize damage.

Financial Account Takeover: IDT monitors cardholder's high-risk transactions with more than 300 of the nation's largest companies to uncover and thwart account takeover attempts. Monitored transactions include:

- Credit cards
- Bank accounts
- Brokerage accounts
- Healthcare portals
- Workplace intranets
- Other services (e.g. peer-to-peer fund transfers)

An alert is sent to the cardholder if a series of knowledge-based authentication questions are used to authenticate the account's user. To take advantage of this service, the cardholder must enter the accounts they wish to protect on the dashboard.

URL and Domain Monitoring: IDT identity monitoring services are enhanced by adding URL and Domain monitoring to the existing list of monitored items. URL and Domain monitoring searches for cardholders' business URL and domain within corporate data breaches, malicious third-party botnets, and criminal forums.
